

Safety Pharmacology Society Vendor Directory

Looking for exposure to potential new customers within the safety pharmacology community? SPS is pleased to announce their latest resource to serve the community, the Vendor Directory!

The Vendor Directory is unique because it allows vendors to maximize their marketing dollars by combining online advertising to their target market as well as the opportunity to send out direct emails to SPS Members.

Here are a few highlights of the Vendor Directory:

- The Vendor Directory targets those who are directly connected to the Safety Pharmacology Society as members. Our average member count is 500.
- Two listing types are available (*see below*)
- You provide the information to ensure the directory is as updated and accurate as possible (*one revision allowed within the calendar year*).
- Add your logo, business description, services provided, and contact details
- Linked directly to your company website
- Available online 24/7 and is mobile compatible
